

SOAR FOR MANAGERS

Essential skills managers need for breakthrough results

MANAGERS IN CRISIS

Today's workplace is experiencing rapid and disruptive change, placing significant pressure on managerial roles. Overwhelming workloads, shrinking budgets, and constant team restructuring are placing unrealistic demands on unprepared leaders. Lacking the necessary tools and support to navigate these challenges, many managers are burned out, disengaged, and underperforming.

UNLOCKING PERFORMANCE

Supercharge your frontline managers with the critical skills to conquer today's complex challenges and skyrocket team performance. SOAR for Managers offers an immersive learning experience that fuses essential skill development with cutting-edge, relevant content. Dynamic discussions and hands-on application empower managers to turn insights into action, driving real results in their roles. Unlock potential and power up performance with SOAR for Managers.

THE DIFFERENCE MAKER

Small peer-to-peer learning

Cohorts purposely kept small to maximize authentic discussions and facilitate learning and growth.

Women focused

Designed to foster meaningful conversations within the context and against the realities of being a woman in today's workplace.

Adapted to learning needs of manager

Short, focused learning equips managers with actionable tools and skills at a critical career moment.

Targeted Curriculum

Learning content that ignites professional growth and interpersonal mastery including communication, adaptability, problem-solving, and ability to forge strong connections.
